

AL3+ WOMAN

OVER-EAR-FIT - SWEAT PROOF - ULTIMATE FREEDOM

Product description

The new and improved AL3+ WOMAN from MIIEGO are *on-ear* wireless sport headphones – designed for Women - with a shorter neckband that fits smaller heads.

Due to the soft and flexible neckband, AL3+ WOMAN will stay in place and let you focus on your training and performance. They are comfortable and stable to wear and with a very long battery time. They are very easy to connect and operate. On iPhones/iOS devices you can see the battery status of AL3+ FREEDOM on your screen.

AL3+ will give you excellent premium sound quality and with the built-in microphone it is easy to make and take calls. Volume, tracks, pause and taking calls are easily controlled with the buttons on the right side of the headphones.

AL3+ WOMAN can be folded, so you can carry them in your pocket or in the water-resistant MIIEGO protective case that is included in the pack.

Once you have started your exercise, you will never again need to have your device/phone in your hands. AL3+ WOMAN will let you focus on your training and sport.
